Wednesday, October 25 - 9:15 a.m. - 1:00 p.m.

SATB: The Storm is Passing Over - Baker

SATB: Al Shlosha D'varim - Naplan

SSA: Sea Fever - Brinsmead

TB: When You are Old - Martin

The purpose of Mass Choral Festival is FUN and UNITY between our District 1 schools. This is meant to be no pressure and no stress. Make sure that your students know that we are all just gathering together to support one another and enjoy singing together. :)

ALL STUDENTS MUST BRING A SACK LUNCH!

Advanced middle school students and high school students from District 1 are invited.

All students sing together as one giant choir.

Music does not have to be memorized.

It is totally fine if you can't learn all the parts of all the songs! Sing whatever you're comfortable with.

We will sing with TB on stage and SSA from the seats in the auditorium.

Schools / choirs may perform one selection for the rest of the choirs...?

Parents may come and watch - either all day or just the "performance" at 12:45.

Kids may wear whatever they wear to school.

The fee for Mass Choral Festival helps cover the cost of the clinician. It is \$25 per school. This paper is your invoice. Please make checks payable to MSVMA. You may bring cash or check on the day of Mass Choral Festival.
